Jul 2022 - Jul 2022

<https://nisha213-mar.github.io/profile-card/>

All in one Store

Jun 2022 - Jul 2022

<https://nisha213-mar.github.io/All-in-one-store/>

profile card

Jul 2022 - Jul 2022

<https://nisha213-mar.github.io/profile-card/>

Calculator

May 2022 - May 2022

<https://nisha213-mar.github.io/Calculator-HTML-CSS-js/>

CV-Screener

May 2022 - May 2022

<https://nisha213-mar.github.io/CV-Screener/>

Audio to text conversion

Mar 2022 - Present

This Software basically takes the input in audio mp3 format and convert it into text file and save the file in doc format to the local disk of the personal computer.

We had submitted this approach to sih(smart India hackathon) 2022.
